EDUCATION

High Point University

B.S.B.A., Finance & Accounting

GPA: 3.9/4.0 | Total Anticipated Credits: 150 (CPA-eligible) | Dean's List (2023-2026)

Presidential Scholar | Business Fellow

May 2027

High Point, NC

EXPERIENCE

Aufman Associates

Sewickley, PA

Tax & Planning Intern

May 2026 - August 2026

- Prepared and analyzed 150+ client tax projections using historical returns and supporting financial data to forecast annual tax liabilities
- Optimized and automated complex Excel models, improving calculation efficiency and reducing manual input and calculation errors
- Developed a multi-component trust tax projection model integrating income, deductions, distributions, and projected investment income
- Modeled Roth IRA conversion scenarios by analyzing projected income, marginal tax rates, and available tax capacity

Wealth Management Intern

May 2025 - August 2025

- Analyzed asset allocations for 230+ client portfolios and prepared individualized financial analyses outlining recommended next steps
- Constructed an Excel-based planning model incorporating newly enacted tax provisions to support forward-looking client projections
- Developed investment recommendations by evaluating client objectives, portfolio positioning, and broader financial needs
- Collaborated with CFA charterholders and CFP professionals supporting wealth management clients

Floyd T. Craven Investment Club

High Point, NC

Executive Committee Member – Analyst Program

August 2024 - September 2025

- Analyzed company financial statements and market data for a student-managed portfolio of approximately \$400,000
- Developed and presented equity investment recommendations to club members and business school faculty
- Monitored portfolio holdings and market developments to support buy, hold, and sell recommendations
