EDUCATION

High Point University

B.S.B.A., Double Major in Finance & Accounting

GPA: 3.9/4.0 | Expected 150 credit hours by May 2027

Dean's List | Presidential Scholar | Business Fellow

May 2027

High Point, NC

EXPERIENCE

Aufman Associates

Sewickley, PA

Tax & Planning Intern

May 2026 - August 2026

- Prepared 150+ client tax projections using historical financial data to forecast liabilities and evaluate changes in client financial positions
- Enhanced complex Excel models and automated recurring calculations, improving forecast efficiency while reducing manual inputs and calculation errors
- Designed a multi-component trust tax projection model integrating income, deductions, distributions, and projected investment income assumptions
- Evaluated Roth IRA conversion scenarios using projected income, marginal tax rates, and available tax capacity

Wealth Management Intern

May 2025 - August 2025

- Analyzed asset allocations for 230+ client portfolios and prepared individualized portfolio analyses to support client recommendations
- Built an Excel-based planning model incorporating newly enacted tax provisions to produce forward-looking client projections
- Developed investment recommendations based on client objectives, asset allocation, portfolio positioning, and broader financial needs
- Collaborated with CFA charterholders and CFP professionals serving wealth management clients

Floyd T. Craven Investment Club

High Point, NC

Executive Committee Member – Analyst Program

August 2024 - September 2025

- Examined company financial statements, operating performance, and market data to assess investments for a student-managed portfolio of approximately \$400,000
- Presented equity investment recommendations supported by financial analysis and market research to club members and business school faculty
- Monitored portfolio holdings and market developments to inform buy, hold, and sell decisions
